Community Governance review

To: Parishes All <allparishes@northdevon.gov.uk>

You will recall that a few months ago I wrote to all Parish Councils seeking their views on any required changes to their governance arrangements. I received quite a few replies for which I was grateful. Because of the number of replies, it is not going to be possible to complete a full CGR in time for the next parish elections in May. A decision has therefore been taken to limit the scope of the current review to that set out in the attached Terms of Reference. However I have assured Councillors that we will look at a wider review of the area over the next couple of years. That review can in particular address issues such as the number of Councillors on each Parish and other common issues. I hope that you will not be too disappointed by this approach but it really is the only practicable way of completing a review in the time allowed.

In the meantime, a consultation has opened up on the content of the Terms of Reference and a copy of the press notice is attached. If you have any comments, the notice gives details of how to make them.

Good morning all,

Following letters sent to you all at the start of June regarding a proposal to decommission and remove 6 SOS phones along the North Devon Link Road, I'm writing to inform you that I have extended the consultation deadline to the end of August. This is to allow time to receive more responses, so our consultation and eventual decision is as well informed as possible.

Therefore, if the matter has not already been raised at your parish meetings, please could you plan to do so and let me know your decision by the end of August? If I do not hear anything further from yourselves by that time, I shall assume that you are in agreement with our proposal.

A generic copy of the letter you received is attached.

If you have any further questions, please do not hesitate to contact me.

Many thanks & best regards,

Naomi Alway

Please see below an email from Amanda Palmer regarding the Police and Crime Commissioner Councillor Advocate Scheme

Good morning Members

I have just had a conversation with the Office of the Police and Crime Commissioner (OPCC) about the above scheme and agreed to provide a briefing to you all on the current status of this and community safety work in North Devon and where the Councillor Advocate Scheme sits alongside this.

North Devon Council is part of the North Devon and Torridge Community Safety Partnership (CSP) which operates with Police, Torridge and Devon County Councils, Fire and Probation as statutory partners (and other important voluntary sector partners.) Together we support and localise the work of the Safer Devon Partnership and respond to local emerging threats by assessing harm and risk through strategic and tactical partnership activity. We currently focus on County Lines (Serious Organised Drug Crime), Domestic and Sexual Abuse, Modern Slavery, Preventing Radicalisation, Reducing Reoffending and Road Safety as well as local delivery of projects around prevention such as Junior Life Skills and Bitesize Briefings. We are co-located with Police (and soon Fire Colleagues) at Brynsworthy Environment Centre and report to a CSP Board quarterly. Cllr Pat Barker is the lead member for Community Safety and sits on the CSP Board.

Our CSP is also part of the Safer Devon Partnership which is the Devon wide CSP. We are a member of the strategic board and our officers contribute to delivery of Devon wide projects to the benefit of our local communities. http://saferdevon.co.uk/

The OPCC has introduced the **Councillor Advocate Scheme** which aims to improve communication between local councillors, the police and the police and crime commissioner and aims to enhance access to information for elected members and enable a greater understanding of how the PCC works and provide updates on hot topics and seminars The full list of benefits can be found here: http://www.devonandcornwall-pcc.gov.uk/take-part/councillor-advocate-scheme/ The scheme has been running for a short while to establish initial interest and test its processes and will formally launch in October/November.

The scheme is open to parish/town, district and county councillors. If you would like to get involved please email **councilloradvocateopcc@devonandcornwall.pnn.police.uk**

If you have any concerns regarding local community safety partnership issues please contact North Devon on communitysafety@northdevon.gov.uk or the lead partner agency directly.

Thanks

Manda
