

Jockey rules

All jockeys are amateurs and have declared no previous experience of hobby horse racing. It is all about technique so the most stylish jockey is unlikely to be the winner.

- Ian Brooks is the official adjudicator for the evening and has the last word on riding style and foul play. Cheating will result in disqualification.
- All horses will be inspected pre the race to check for signs of sabotage and the employment of dirty tricks. Horses must not be interfered with during the race.
- All jockeys must keep their elbows on their knees and WIND the rope. Horses cannot be pulled over the line.
- All jockeys must remain seated in the chair. This means no Frankie Dettori impressions until your horse has won.
- The winning horse will win by a nose i.e. it will be the horse whose nose touches the chair first.
- Anthony Vigus is your official commentator for the evening and will be calling the horses home.
- Jockeys will not be asked to weigh in before or after races nor need to complete a breath test. In fact the committee actively encourage participants to visit the bar pre saddling up.
- No whips. All other riding paraphernalia is acceptable.
- There are a number of spare rides due to jockeys having other commitments, bans or being deemed unfit to ride. Any wannabee jockeys should express their interest with Rosie and Andrew at the door. Names will be selected from a hat.

HOBBY HORSE RACE NIGHT

Saturday 18th June 2016
In aid of Knowstone Parish Hall funds

Welcome

to our hobby horse race night

This is the second running of the Knowstone Hobby Horses.

Here's how it works...

- There are five hobby horses in each race. Each horse has a colour and a number which is stated on the race card.
- Place a bet at the tote table stating which horse you wish to back. 50p per bet.
- You can bet on as many horses as you like, as many times as you like.
- You will be given a ticket for each bet. Hold on to this, you'll need it to claim your winnings.
- When all bets have been placed, the odds will be announced and the race will start.
- If your horse is the winner, collect your winnings from the tote payout table.
- Races seven and eight will be auction races so you get the chance to own a horse and win some prize money.
- The last two races will be the finals of all those who finished in first or last place of each race.

Thanks

for your support

We hope you have had a great night even if you haven't been lucky!

We would like to thank everyone who has helped with the event preparation and all race sponsors and horse owners.

Trophies have kindly been donated by Reg and Copper Howe. If you win a trophy then please complete a form so we can collect it back in 12 months' time.

All hobby horses were bred by Ken Dykes.
