Good Morning

Over the past year and a half we have noticed a drop in attendance to the Parish Forum meetings. The purpose of the Parish Forum is to serve as a platform to communicate information of importance to the whole of North Devon.

We would like to gain an understanding of what might be causing the decline in attendance and to ensure that future meetings are useful and effective for Town and Parish Councils and North Devon Council.

A survey has been published online today which is due to run for a month closing on **17th April 2019**, please find a link below which can be used to access the survey.

Please could you also circulate this to all Councillors with internet access who would be able to complete this short survey which is entitled: **2019 North Devon Parish Forum Meetings**.

With thanks in advance,

Kind regards
