Thanks Anna and Nicola,

My name is in the list below as Jackie Brodie. I have got married since then, and my name is now Jackie Hook, the email is jackiehook05@gmail.com, and the tel number 01626 362070. I am in fact a DCC Cllr now. We (DCC) are just about to embark on a Speed Limits Task Group, which will be looking again at all local speed limit policy in Devon. 20mph will be considered as part of this, and is strongly supported by most Devon Cllrs.

DCC officers have continually suggested that we delay looking at this by saying that we need to wait for the outcome of DfT research, and its report, That report has been delayed many times. At last we have got the go ahead for a look into our own speed policies, and I believe there is a strong desire to enable us to implement more 20mph limits and zones.

Please let me have any views, comments, information, evidence that you would like the Task Group to consider. And perhaps Nicola would like to come along and speak to the Task Group?

The Task Group is looking at DCC policy, and won't include consideration of Torbay.

Regards,
Jackie

Dear Devon campaigners

Nicola Renovich has offered to run 20's Plenty for Devon. I admit to getting confused sometimes between the different Devon Councils - North Devon, Devon and West Devon. Rob Veal is already Running North Devon.

I hope that having a list of all the Devon campaigns will help you to contact each other and get more coordination going between you. Please help each other!
