Eileen Power (Committee member)

Knowstone & Rose Ash Garden Club meet on the 3rd Wednesday of the month and the Annual membership is £12 per annum. We hold our meetings in Knowstone Village Hall and also at Rose Ash Village Hall. We have a number of speakers during the year covering diverse subjects . We also visit various gardens and nurseries during the summer months, an interesting visit this year was to Rackenford Manor and we were shown round by the Head Gardener.

We also hold an annual Plant & Cake coffee morning sale and we continue to maintain The Masons Arms garden and plant containers, this helps pay for our speakers and subsidises our Annual Dinner.

Our December meeting this year was held in Rose Ash Village Hall we made Christmas wreaths and decorations we met in the morning so at lunch time we had home made soup and crusty bread.

In January we hold our Annual Dinner, once again this January we held it at The Masons Arms, and as usual a superb meal was enjoyed by everyone.

We will always welcome new members and visitors are very welcome to come along to any of our meetings.
