Hi Wendy

Could you answer a question for me please.

I emailed ref a Neighbourhood watch concern a couple of weeks ago but heard nothing back. I don't know if there is a neighbourhood watch representative anymore, was it Jeremy?

I filled out the form at the bottom of the Knowstone parish council website, is there a direct email to report concerns?

Also, I know it was brought up at the last meeting, I've read the draft minutes, ref the speeding cars through Roachill. Why can the council not impose a 30 limit, or even better a 20 limit through the hamlet. Needing street lighting for a 30 limit is no longer a reason, Jeremy said he was given that reason but the highway rules have now changed to be more safety conscious for pedestrians and cyclists and it would be a foolish county council to ignore this request. I know it's not just me that has nearly been run over, Gill can never walk along the road on her own as cars don't always slow down, especially this end, just coming off a long straight or speeding up because they can see a long straight road.

Thanks Wendy

Kind regards

Dear

With reference to your question re. Neighbourhood Watch I do not think there has been a representative in Roachill for many years now. Jeremy (Filmer-Bennett) used to be the Parish Council's Road Warden but he was not the Neighbourhood Watch rep.

I'm sorry that the form you completed on the Knowstone Parish Council website did not reach me. There have been a few problems with the website recently and some upgrading work has taken place so that may explain it. This email address I am contacting you on now is probably the best one to use in future when contacting the Council or the one shown below.

Your concerns about the speed of cars travelling through Roachill will be on the agenda of the next Parish Council meeting which will be held on 26th July at 7.30 p.m. in the hall. I will circulate a copy of your email to all councillors prior to the meeting as well as sending a copy to County Councillor Jeremy Yabsley who hopefully will be in attendance at the next meeting and will be able to advise on what action could be taken. Members of the public are always welcome to attend Parish Council meetings.

kind regards Wendy
