Dear Mr Sables

Knowstone Parish Council wishes, on behalf of a parishioner's complaint, to ask that Devon County Council Highways Department enforces the removal of the derelict static caravan, formerly used as a café, that has been deposited on the ground opposite the public toilets in the Sidemoor picnic area, adjacent to the A361 at Moortown Cross. As the caravan has previously been a food outlet it will inevitably attract vermin etc. Not only is it also an eye sore but a potentially dangerous structure for any children that may be tempted to explore it. This situation has continued for six months and needs to be addressed.

In addition to the removal of the static caravan the Council would appreciate it if your Department would deal with the two camper vans that are currently parked at the picnic area at Sidemoor and have been for some time, well before the current lockdown restrictions were introduced.

Many thanks for your help in this matter. The Council looks forward to hearing from you as soon as possible.

Yours sincerely

Wendy Sweet
